Hey Parents,

I just cannot get over how proud I am of these students for the fantastic job they did during the play. This includes everyone, no matter the part. The play would not have been what it was without all of you. Thank you for your commitment to what we put on the stage! With that said, I did take cast pictures and I did record the performances. If you would like to purchase a copy they will be \$5 each. The photographs will be 8x10s and the DVD will come with a label and slim case. I was able to fit both the Wednesday and Thursday performances onto the DVD, so it will come with both. The photograph will be a collage of both our regular cast photo and one of the funny pictures they wanted to take. To see samples of what you will be purchasing, please check my blog.
