

## Classroom Volunteer Info - Mr. Pratt's Class

Welcome to Mr. Pratt's class! We are excited to have you. Together we can have a great year and provide the best learning for our children. Parent involvement is important to the success of each child. Every family is expected to contribute 30 hours of volunteer time each year. Together we can find creative opportunities even for the busiest parents. Please help us find the best volunteer options available for you by filling out this form and return it to your student's class captain/ teacher. And your class captain will contact you with the opportunities available.
