### Binder Checks

Teacher Name: **Mrs. Petersen**

Student Name: \_\_\_\_\_

CATEGORY	Excellent	Acceptable	Needs to Improve
<b>Organization</b>	There are 0 loose papers. Every paper is in the correct subject binder. The folders are not over filled.	There may be 1-3 loose papers. 1-5 papers are in the wrong place. The folders are so full it is hard to find the right paper.	More than 3 loose papers, more than 5 papers in the wrong place, folders are either so full that you can't find anything or so empty that nothing you need is there.
<b>Completeness</b>	Every class has a binder. The homework folder is also there.	1 class is missing a folder or the homework folder is missing	more than 1 class doesn't have a binder or the homework folder is missing.
<b>Homework</b>	Homework is in the homework folder, and you know what the assignments are and where to find them	Some homework is not in the folder, or students can't find it.	Homework is empty and you can't locate any of the assignments.
<b>Notes</b>	Notes are in the correct subject folder. There are notes for most classes.	Notes are there but not in the right place.	Notes are missing or lost entirely
