

Multiply two integers and what do you get?

Same signs? (clap, clap) Positive (clap, clap)

Different signs? (clap, clap) Negative (clap clap)

Divide two integers and what do you get?

Same signs? (clap, clap) Positive (clap, clap)

Different signs? (clap, clap) Negative (clap clap)

Multiply two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Divide two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Multiply two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Divide two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Multiply two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Divide two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Multiply two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Divide two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Multiply two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Divide two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Multiply two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)

Divide two integers and what do you get?
Same signs? (clap, clap) Positive (clap, clap)
Different signs? (clap, clap) Negative (clap clap)
